

Mini Camp Opening Day Drop-Off Procedures Camp Alleghany for Girls

On Opening Day, please follow the procedures outlined below:

- Drop-off time is between 2:00 p.m. and 4:00 p.m. on Sunday
- When you reach the Camp Alleghany parking lot, stop at the green cabin and check in with a counselor, who will point you in the direction of where to unload your car
- Drive to the opposite end of the parking lot where your luggage will be unloaded onto a trailer
- After unloading, find a parking space on the way back toward the entrance to camp
- Your daughter's luggage will be taken across the river separately and dropped off at her tent (the ACA requires that luggage and people must go across separately; we thank you for your patience).
- All luggage will get to the tents, it may just take some time.
- *If you wish to help your daughter make her bed, please pack her linens in a separate carry-on bag that you can carry across the river.*
- Before crossing the river, your daughter's temperature will be checked, she will be screened for lice, and you will be asked a few questions regarding her current health as well as her health over the school year.
- All campers must be IN camp by 4:00 p.m., so please plan to arrive no later than 3:30, if not earlier.
- All parents must exit Camp Alleghany by 4:45 p.m. at the latest.
- For the safety of all families and Camp Alleghany staff members in the parking lot, please strictly adhere to the counselors' directions.
- Should there be a change in plans that would affect your arrival/departure, you will receive an email or a phone call from one of the directors prior to arriving at camp.

Once inside Camp Alleghany, please follow our structured procedures with the guide of the counseling staff to help you:

- Your family will be greeted by a counselor who will walk you to the Store if you would like to make a stop there to purchase any items for your daughter.
- The counselor will then lead your family to the Infirmary where you have 2 options:
 - If your daughter has medication to drop off or you need to discuss any concerns with the doctor, you will go IN the Infirmary;
 - If you don't have any medications or any need to talk to the doctor, you will stop at the tent OUTSIDE the Infirmary.
- After this the counselor will lead you to your daughter's tent where she will meet her own counselor and tent mates!
- Once settled, you are free to leave camp and let the fun begin!
