

Airport Travel

The closest airports to camp are Greenbrier Valley Airport in Greenbrier County, WV, and Roanoke Regional Airport in VA. Should you need to send your daughter to camp or home by air, an adult from camp will pick her up from the airport upon arrival, or stay with her in the airport until departure. Pickup and Drop-off at Greenbrier Valley is free of charge, but there is a \$50 charge for pickup or drop-off at Ronoake Airport.
